Hey NooHee! EpitechProject
would like to connect with
your reddit account.

5. Click on « Allow » to
access our application.

Allow EpitechProject to:

- Access posts and comments through my account.
- Manage my subreddit subscriptions. Manage "friends" - users whose content I follow.
- Update preferences and related account information. Will not have access to your email or password.
- Access the list of subreddits I moderate, contribute to, and subscribe to.
- Access my reddit username and signup date.
- Expires in: 1 hour

EpitechProject will not be able to access your reddit password.
